

Wallantq Gallery Private Limited

This document is to understand how our website should be. I tried my best to keep it simple and easy to navigate and read.

Vision/About us

- To enhance your surrounding we are here with wall arts, wall hanging and Installation art (is often site-specific and designed to transform the perception of a space.) We are one stop solution for this. you can just come to us and opt from variety of design, type, material and colour of an art.

Premium segment

- There are some Designs are dedicated to this and we will make it on demand basis.
- Custom design; Exclusivity, Minor change into existing design, whole new design as per costumer need
- There will be a page where one will be asked few questions and accordingly they will have suggestions from our list, then choose one and they can add request to change size, colour or any other request. Or they can choose for custom design and they can choose exclusivity (by default) or not.
- ~~On that page there will be a glimpse of design. Means design will not be available to all in-public. (don't have to worry about coping product)~~
- Once costumer falls in to this, they will have dedicated force to handle them and they have to have premium experience in every way.

B2B [could be considered in premium segment]

- Shop owners, Distributer, Resellers, all of a kind offline sellers, Art dealers, Furniture dealers. ~~{ ALSO FALLS INTO QUANTITY GAME FOR OUR PRODUCTS }~~
- Enterprise buildings, Hotels, Motels, Cafe, gov. buildings, park etc. where they want to USE our product for them self. ~~(This is in B2B because they are our marketing partner)~~
- As a service provider to Interior designer, Architect, art/furniture makers.
- There will be many models in B2B
 - Like Old school , offline availability in your local stores.
 - of our products or they can opt for our services to make their own product line. (mostly our product) (Request base for their own product line)
 - For Enterprise use, we offer our premium segment products or custom design; and

exclusivity will be subject to customer. (may be free designer in some cases)

- for bulk order they can get whatever they want.

Quantity game and ECom

- Design will be open to all and products will be cheap.
- Availability on online platforms.
- ~~These products will be available on Indian online platforms.~~
- These products will be available to local stores.
- These products will be in STOCK.

Three events in a year

- Summer sale
- New product launch
- One live/outdoor event or showcasing art work at event like art fair or something like that.
Just to create the buzz.

-
- ~~We make wall arts and installation art for site specific as well. One can purchase some of our art work from [etsy.com](https://www.etsy.com) and other platforms as well. One can order directly from us, just go to contact us and we'll get back to you.~~
 - We make on demand art and rare/ limited addition art as well.
 - One can avail our exclusive art work as per the need. just answer a few questions and we'll suggest from our design or one can customise size colour etc. or can opt for whole new design or art work which is created for your space.
 - Questions
 - Where are you from ? country, state and city
 - type of property.
 - Where will be placed in that property.
 - describe your interior in few words.
 - colour preferences (if)
 - approximate size (if)
 - what you are looking for in this art. open box to write.
 - add a photo of that space(from distance) where it will be placed. (if)
 - personal info
 - ~~once it has been submitted, then you will have a suggestion from our product that you choose to buy or ask for customisation. or skip it and go for custom work.~~
 - you will have approximate quotation.

then after 24 hour day we'll get back to you with some mockup designs with quotation. choose one and if there is any change of suggestions just let us know. then w'll send you one final design ready to manufacture. (payment before that , refundable). if give us a green signal then we'll make it and ship it to you.

- we also collaborate with services provider like interior designer, furniture, manufacturer, etc.
 - We also make custom artwork for furniture and Home Decor products seller as per that design style
 - One can also contact us for resale our products
-

Points for website

- On home page company' overview
 - as you scroll down you get to see all our offerings. page will have sections.
 - Section for upcoming/ongoing **event**. showing related info/ info graphic/ image
 - section for products for sell. category of product, some info, changing image or banner, mockup. Make this section bigger. **Ecom**
 - section for **custom design** service. Some info and changing banner. Steps to avail our service to showcase the ease.
 - **Other offering** like you need us to be your partner, or if you have infrastructure that needs to be decorate or any bulk order. contact us button.
 - Every section that mentioned above that leads to a page dedicated to that.
 - Event page section upcoming or ongoing event.
 - In admin page - could change content images , infographic video (in option with image)
 - ~~people can see previous event (that out door, art fair event happens once in a year)(no need for now)~~
 - Ecom has to be easy to navigate.
 - listing, payments, shipping, company info, discount, order, email, invoice, inventory, category, tax, checkout, shipping zone (countries), admin panel etc.
 - Assuming that I don't need to provide details for Ecom. Get me what and how ecom segment will be.
 - For custom service and other offering we can go for one common page. (or different pages, you can take decision as per the design)
 - Contact us and about us
 - I need admin panel for whole website so that I can update it whenever I needed.
 - ~~Country wise layout setting~~
-
